Freeman Haberdasher of the City of London

└── Hasaell c. 1635  
    = Judith Edmonds, widow  
    1656 St. Katherine by the Tower

Nuncupative Will of Hasaell in 1662 says "My wife Judith hath been a good mother in law to my children and I question not but she will be so still". This indicates a former marriage, although he was young when marrying Judith.
